

To order your medication on our website.

1. Visit reception with some photographic identification to get your log in details
2. Go to our website at [www.rosemedicalpracticehuddersfield.nhs.uk](http://www.rosemedicalpracticehuddersfield.nhs.uk)
3. From the home page select the Blue box that says Prescriptions & Test Results

4. Click on "Order your repeat prescriptions online"

5. Enter your username and password

We (TPP) have developed a new app - 'Airmid' - which provides you with existing SystemOnline functionality plus lots more! Try the new Airmid app now. You can log in with your SystemOnline username and password.

Download on the App Store | GET IT ON Google Play

### Login

If you already have a username and password, enter them here.  
If you do not have a username and password, contact your practice to register for SystemOnline.

6. Click on "Request Medication"

The dashboard shows a navigation bar with 'Appointments', 'Medication', 'Records', and 'Account'. Below this, a patient profile for 'Miss Betty Test Boo' is shown. A central menu lists various services: 'Your Appointments', 'Your Medication' (circled in red), 'Your Records', and 'Your Account'. The 'Your Medication' section includes 'Request Medication', 'Outstanding Prescription Requests', and 'Change Pharmacy'. A yellow banner at the bottom promotes the 'Airmid' app.

7. From here you can click the box next to the items you need. You will find displayed any medication you have been prescribed recently as well as your Regular (Repeat) medications.

Appointments      Medication      Records      Account

Miss Betty Test Boo  
Date of birth: 01 Jan 1970

Rose Medical Practice  
140 Fitzwilliam Street, Huddersfield, West Yorkshire, HD1 5PU  
Usual GP: Dr Satpal Singh

General: 01484500921

### Medication

Tick the items you would like to order and press the 'Continue' button. You will then have the opportunity to review the order and add additional notes before it is sent. If the item you require is not listed then make a custom request using the 'Medication request notes' field.

Once your request has been submitted, a member of staff at the practice will process your request and issue the medication ready for collection.
